## Best New Business Award (less than 2 years)

This award recognises an outstanding high-potential business that has been commercially trading since January 2024. It celebrates the founding team's exceptional entrepreneurial vision, the resilience demonstrated in navigating the early stage challenges, and the development of a robust, scalable, and commercially viable business model that has achieved significant early market traction.

### Who Should Enter

A commercially trading company founded on or after [Insert Date 2 Years Ago]. The demonstrable market traction and key growth milestones must have been achieved after January 1st, 2025. We welcome entries from businesses across all sectors that are demonstrating rapid growth, offering a unique or disruptive product/service, and have built a strong foundation for future expansion. The founders must showcase ambition, a deep understanding of their market, and the effective execution of their initial business plan.

### Crafting Your Winning Entry

We suggest detailing the unique market gap identified and the innovative solution offered. Clearly articulate the business model, value proposition, and competitive advantage. Provide compelling evidence of early market success including revenue figures, customer acquisition and retention rates, notable pilot projects or contracts, and any significant early-stage funding or investment secured. Outline the future growth strategy and clear milestones for the next 3-5 years.
